MONTHLY MEETING: The monthly HOA meetings are held on the third Wednesday of each month and May's meeting is the 20th at 6:30 p.m. in the clubhouse. The monthly meetings are open for all homeowners to attend.

COMMUNITY GRANT: The grant process was quite an experience. During the review, City Engineering informed us that all of our intersections should have City street and stop signs. The City will be installing these, which means we can attach our private sign blades to the new posts, resulting in significant cost savings. Because of this change, we reduced our total grant request to \$9,225.

The Neighborhood Grant Committee has recommended that the Redevelopment Commission award us \$3,500 toward our project. This is significantly less than requested and not the outcome we were expecting as a first-time applicant. While the application process awards points to first time applicants, the majority of this year's \$30,000 in funding was allocated to neighborhoods that have received substantial funding in prior years. Here is the proposed breakdown of grant awards:

- Bentley Court: \$8,000 for native plants and design (part of a 3-year project; awarded \$9,000+ in 2025)
- Bloomington Housing Authority: \$6,550 for food pantry appliances (previously awarded \$15,961)
- Prospect Hill: \$4,000 for headstone restoration at Rose Hill Cemetery (previously awarded over \$52,900 between 2020-2025)
- Gentry Estates: \$3,000 for cluster mailbox replacement (first-time applicant)
- Gentry Honours: \$2,600 for entrance sign repairs (first-time applicant)
- Spicewood 2: \$2,350 for vacant County lot cleanup and native plantings (first-time applicant)

These recommendations will go before the Redevelopment Commission for final approval on Monday, May 4th at 5:00 p.m. Once approved, we will proceed with next steps in coordination with the City.

Because the Board considers sign replacement a critical safety priority, it has voted to use funds from this year's capital improvements budget to cover the remaining costs and ensure the project is completed.

And on a much more fun note—once the project is complete, we're planning a neighborhood ice cream social to celebrate! We'll be inviting the first responders who supported us along the way and wrote letters of recommendation, so it should be a great chance to come together as a community. Stay tuned—more details soon!

PEA GRAVEL WEED SPRAYING AND OWNER MAINTENANCE: The lawn crew will be spraying the pea gravel areas for weeds in the next few weeks. If you would like to **OPT OUT** of the spraying, please contact the office. We are observing pea gravel areas that are already full of weeds. As we do the walk around, notices will be given out. Please be reminded that, in accordance with the Rules and Regulations, owners have 10 days from the date of the notice to remove all weeds. Failure to comply within this timeframe may result in a fine being issued.

ANNUAL NEIGHBORHOOD GARAGE SALE: The annual neighborhood garage sale is scheduled for the Saturday, June 13th with a rain date of the 20th. From 8:00 am to 2 pm. The garage sale is held the second Saturday of June each year.

APPROVED SHRUB LIST: The approved shrub list for homeowner plantings in the pea gravel areas and flower beds is available on our website. If a shrub does not appear on this list that you would like to plant, contact the office and we will research the possibilities for you. Please note, trees including ornamental trees are not approved to be planted in the pea gravel area or at the end of the patio walls. Previously, trees have been planted in these areas and we are seeing trees roots that are damaging sidewalks and overhanging roofs, causing issues. Owners are being required to remove trees in these areas.

RENTAL UNITS: Is your unit a rental or are you contemplating renting your unit? Rentals must adhere to the governing documents which include no short-term rentals. Rentals are defined by the City of Bloomington as "any dwelling unit, rooming house, or rooming unit occupied by a person(s) other than the owner and/or their legal dependent." All rental units are required to have a tenant verification form on file with the office **within 30 days of a lease signing**. If you have questions regarding rentals in Sherwood Green, please contact the office. Fines will apply if the verification forms are not submitted.

EXTERIOR CHANGES: Thinking of making a change to the exterior of your unit? All exterior changes – windows, garage doors, satellite dishes, etc. -- must have Board approval. Exterior alteration forms are available in the office or on our website. Exterior alteration requests **MUST include a description of materials to be used.**

PETS: Pet owners are responsible for promptly picking up after their pets. This is not only a neighborhood rule but also a City code requirement. All pet waste must be picked up immediately and disposed of in the owner's trash receptacle. Please be respectful of our common areas and help keep the community clean for everyone. **All pets must be on leashes when outside!**

WORK ORDER REQUESTS: For all exterior maintenance requests, please submit a **WRITTEN** work order request to our office either in electronic form on our website or by pdf which is also on the website at <https://www.sherwoodgreenbloomington.com/work-orders>. If you have a roof leak, the roofers tend to respond within 24-48 hours depending upon the weather. If it is raining, there is ice/snow on the roof or the temperatures are extremely cold or hot they cannot go on the roof. Please know they will make roof repairs as soon as it is safe for them to access the roof.

SEWER LINES: Please do not put wipes of any sort down the toilet even if they say they are disposable. Sewer clogs that are the result of occupants clogging the sewer lines will be charged to the homeowner. If your unit is a rental, please share this with your tenant(s).

TRASH CANS: The Rules and Regulations of Sherwood Green stipulate that trash cans must be kept on patios or in garages. **Trash cans may NOT be left out in front of garage doors** or on the street. They must be put away within 24 hours of trash pick-up.

ITEMS ATTACHED TO BUILDINGS AND PATIO WALLS: Items are not to be attached to patio walls and to the buildings. Please do not attach anything to the walls, gutters or soffits!

2026 DUES: The 2026 dues are **\$190 per month** per unit starting January 1, 2026 and are **due by the 10th of the month or a late fee applies**. If you have bill pay set up through your bank, be sure to update the amount. If you pay your dues by an automatic bank payment check or bill pay, please know it is taking 10 - 14 days from the date on the check for us to receive some payments. If you are paying by an automatic payment through your bank, please initiate the payment so it arrives by the 1st of the month to ensure we receive it before the 10th and you are not charged a late fee.

INSURANCE RENEWAL: Indiana Farmers has renewed the blanket insurance policy with the deductibles remaining at \$2,500 for covered losses; \$10,000 for wind/hail and 5% for earthquake which is now \$2.8 million. **The blanket policy covers the structure and the interior – walls, flooring, cabinets, etc. Each homeowner needs to carry separate coverage for personal property, personal liability and loss assessment that includes earthquake for \$13,500.** Please discuss loss assessment with your agent for exact coverage information. We also suggest to minimize insurance claims, annually, have your dryer vents cleaned, replace the batteries in your smoke detectors and replace smoke detectors that are older than 10 years old, check the water lines to your washer, ice maker and toilets, make sure they are secure and don't need replacing.

PHONE SCAMMERS: Scammers are calling people pretending to be the Sheriff, a police officer or an officer of the courts and state that you either missed jury duty or have an overdue fine and you will be arrested unless you pay them. **THIS IS A SCAM!** These departments will never call you and **they will never ask for money over the phone, nor will they ask you to purchase gift cards or bitcoin.** If you have actually missed jury duty or have an unpaid fine, **they will send you a letter in the mail.** If you receive a call requesting money, gift cards or bitcoin, **please hang up immediately!**

RESIDENT CARE: We like to share options for our residents who live alone or have health issues and may need emergency care. We highly recommend and encourage having a system like Life Alert to call for help if there is a fall or if you have a medical issue. We recommend that you have a way for first responders to access your unit. This could be by a coded garage keypad or a coded door handle. If you choose either of these options, you can have the code on file with the local emergency dispatcher center. Another option is a Knox Box. This is a lockbox that is attached to the exterior of your unit that holds a door key that only the fire department can open. The City of Bloomington also utilizes **Smart911** to facilitate a more efficient and prepared emergency response for residents who find themselves in need of emergency services. Here's how it works:

1. Sign up for **Smart911** and create a secure safety profile for your household. That includes information about family members and pets, medical information, details about your address, vehicle information, and any other information you feel necessary to share with responders. You decide what you want the dispatchers to know.
2. Rest assured, knowing the information is only available to dispatch and first responders, should you ever find yourself in need of emergency services. Your information is kept secure by **Smart911** using encryption technology.

CLUBHOUSE OPEN DURING POWER OUTAGES: With the unpredictable weather, if you lose power, the clubhouse may have power and will be open to residents. The clubhouse and north portion of the neighborhood are on a different power grid than the back section. If power is going to be out for a significant time, we will have the clubhouse open from 11:00 a.m. to 7:00 p.m. for residents to use so you can charge your phones, use the internet, etc. The only way we have to communicate this during an outage is email and some residents may not be able to receive the email when the power is out. If you lose power, please feel free to stop by the clubhouse, if it has power it will be open to residents.

SHERWOOD GREEN LIBRARY: Need a good book to read or a puzzle or game? Stop in the Clubhouse during office hours to browse the library!

APPROACHING CONTRACTORS AROUND THE GREEN: If an Association contractor is doing work and you have an issue, please contact our manager and not the contractor. If you contact an HOA vendor to do work for you or request work to be done, you are responsible for payment.

GREEN BOOKS/WEBSITE: Our governing documents, work order requests, and exterior alteration request forms can all be on our website www.sherwoodgreenbloomington.com.
